

RecPlex & Synthetic Turf Field Policies

Access to the fields and pavilion are reserved only for individuals and groups approved by SIUE.
For information on reserving space at the Recreational Sports Complex, please contact:
SIUE Department of Campus Recreation at 618-650-2348

The following items/actions are not permitted:

- Accessing the fields when gates are locked.
- Painting or altering university equipment without approved authorization.
- Food or colored drinks on **turf fields** (water only).
 - Food can be consumed outside the gates or under the pavilion.
- Gum, sunflower seeds, or other shelled products on **turf fields/dugouts**.
- Metal cleats (molded cleats/athletic shoes permitted).
- Alcohol, drugs, smoking, and tobacco products.
- Animals (service animals defined by state law permitted).
- Sharp objects such as glass, tent stakes, flags, and poles that could penetrate the ground or cause harm to participants.
- Chairs on the turf field.
- Throwing, kicking, or hitting objects into the fence.
- Grilling and open-flames – permitted only on stationary pavilion grill.
- Golf or track/field type activities.
- Motorized vehicles (except approved maintenance/emergency vehicles).

SIUE CAMPUS RECREATION expects all users to conduct themselves in an appropriate manner, demonstrate sportsmanship, and respect all university/state policies. Further, this area is under video surveillance.

USER RESPONSIBILITY:

Please help preserve the quality and safety of our synthetic turf and grass fields

You are responsible to leave the field clean and ready for the next user. Remove all equipment and deposit trash in appropriate containers. Anything left on the turf/grass remains there, posing health and safety hazards to participants, in addition to general degradation of the playing surface.
