EDWARDSVILLE

MAY 4 & 5, 2018

2018 SPRING COMMENCEMENT

WELCOME TO SOUTHERN ILLINOIS UNIVERSITY EDWARDSVILLE

On behalf of the faculty, staff and students of Southern Illinois University Edwardsville, I am pleased to welcome you to the 122nd Commencement celebration. Our graduates have achieved a significant milestone in their lives, excelling in their academic pursuits while exemplifying the values of citizenship, excellence, inclusion, integrity and wisdom upon which the University is founded.

SIUE is a place where dreams are built and futures are formed. The University community is proud to have supported each of our students during their time on campus. At the conclusion of today's ceremony, the graduates will share alumni status with more than 100,000 fellow Cougars. SIUE will continue to provide assistance as our students transition to the professional world or pursue an advanced course of study.

Graduates, congratulations on your very special accomplishment; we recognize both you and those who have supported you throughout your academic experience. Thank you for helping SIUE fulfill its mission to shape a changing world. We look forward to learning of your many achievements in the years to come.

Congratulations!

A handwritten signature in black ink, appearing to read "Randall G. Pembroke". The signature is fluid and cursive, with a long horizontal line extending to the right.

Chancellor

SOUTHERN ILLINOIS UNIVERSITY

Southern Illinois University (SIU) System is comprised of two sister institutions: SIU Carbondale, with a School of Medicine in Springfield; and SIU Edwardsville, with a School of Dental Medicine in Alton and the SIUE East St. Louis Center in East St. Louis.

With a budget of approximately \$897 million, the SIU System employs more than 7,500 faculty, staff and administrators who serve nearly 32,000 students. A modern and comprehensive post-secondary educational system, the SIU System offers a broad range of academic programs that lead to associate, bachelor's, master's, specialist, doctoral and professional practice degrees in a variety of fields, including law, medicine, pharmacy, and dental medicine.

SIU Carbondale was chartered in 1869 as Southern Illinois Normal University, a teachers' college. In 1947, the name was changed to reflect the institution's academic expansion. The University also expanded geographically. As early as 1949,

courses were being offered in the metropolitan East St. Louis area, which led to the development of SIUE.

The instructional, scholarship and service missions of the two constituent institutions reflect the needs of the geographic areas in which they are located. The SIU System is also committed to serving state-wide, national and international needs. This commitment is reflected in educational activities and outreach in communities throughout the state, as well as through research and training exchanges and world-wide student exchange programs.

The SIU Board of Trustees governs the SIU System and sets policy that enables both universities to carry out their established missions and goals. The president of the System is its CEO and reports to the board of trustees. The University chancellors report directly to the president and are responsible for the internal operations of SIUE and SIUC, respectively.

SOUTHERN ILLINOIS UNIVERSITY EDWARDSVILLE

Southern Illinois University Edwardsville (SIUE) traces its origin to a recommendation made in 1956 by the Southwest Illinois Council for Higher Education. The Council was convinced that higher education facilities were needed in the Metro East. They hired consultants whose reports documented that need, and they appealed to Southern Illinois University (SIU), 100 miles south, to establish satellite campuses.

In 1957, SIU opened two “residence centers” in Alton and East St. Louis. The University expected to enroll 800 students, but actual enrollment reached 1,776. By 1959, the number of students had more than doubled to 3,800, greatly exceeding the capabilities of the physical facilities. This burgeoning population demanded services faster than the University could develop and supply them.

A planning team investigated sites in the Metro East counties and selected one just south of Edwardsville. In 1960, the Illinois legislature authorized a bond issue for construction of a new state university campus. Voter approval came in November 1960. After nearly three years of planning, University officials and area residents attended ground-breaking ceremonies for the first permanent buildings.

In the fall of 1965, SIUE moved onto its new campus just 25 miles from St. Louis—2,660 acres of rolling land and woods dotted with lakes along bluffs flanking the Mississippi River. Much of the land still retains its natural shape. The core comprehensive university with nearly 14,000 students enrolled.

U.S. News & World Report Best Colleges of 2018 lists SIUE among the best Regional Universities Midwest for the 14th consecutive year and among the top 15 public universities in that category. The overall scores are based on the reputation of SIUE in higher education, graduate and retention rates, faculty resources, student selectivity, financial resources, and alumni giving. SIUE is ranked 11th in the country among the safest college campuses according to the National Council for Home Safety and Security. More than half of SIUE’s 100,000

graduates live and work in the St. Louis region. SIUE makes more than a \$514 million economic impact on the region every year.

The University offers undergraduate and graduate areas of study encompassing the arts, sciences, nursing, education, health, human behavior, business and engineering. The Schools of Dental Medicine and Pharmacy award first professional doctoral degrees in dental medicine (DMD) and in pharmacy (PharmD). Doctoral degrees are available in nursing practice and educational leadership. Cooperative PhD programs in history, environmental resources and policy, engineering science, and computer science are offered with SIU Carbondale. The Edwardsville campus is enhanced by campuses in East St. Louis and Alton.

At SIUE, students find comprehensive educational opportunities and a community in which individuals support each other in their search for knowledge and individual development.

SOUTHERN ILLINOIS UNIVERSITY EDWARDSVILLE

Mission

Southern Illinois University Edwardsville is a student-centered educational community dedicated to communicating, expanding and integrating knowledge. In a spirit of collaboration enriched by diverse ideas, our comprehensive and unique array of undergraduate and graduate programs develops professionals, scholars and leaders who shape a changing world.

Vision

Southern Illinois University Edwardsville will achieve greater national and global recognition and academic prominence through innovative and interdisciplinary programs that empower individuals to achieve their full potential.

Values

Recognizing public education as the cornerstone of a democracy, SIUE carries out its mission based on certain fundamental, shared values. We value:

Citizenship

- Social, civic and political responsibility-globally, nationally, locally and within the University
- Active partnerships and a climate of collaboration and cooperation among students, faculty, staff, alumni and the larger community
- Sustainable practices in environmental, financial and social endeavors

Excellence

- High-quality learning within and beyond the classroom
- Continuous improvement and innovation
- Outstanding scholarship and public service

Inclusion

- A welcoming and supportive environment
- Openness to the rich diversity of humankind in all aspects of university life
- Respect for individuals, differences and cultures
- Intellectual freedom and diversity of thought

Integrity

- Accountability to those we serve and from whom we receive support
- Honesty in our communications and in our actions

Wisdom

- Creation, preservation and sharing of knowledge
 - Application of knowledge in a manner that promotes the common good
 - Life-long learning
-

SIUE Statement on Diversity

The SIUE Statement on Diversity reflects the University's commitment to recognizing and valuing the contributions of the breadth of humankind. This statement, adopted in April 2013, replaces an earlier version and is considered an expansion of the SIUE value of Inclusion.

All societies and peoples have contributed to the rich mix of contemporary humanity. In order to achieve domestic and international peace, social justice and the development of full human potential, we must build on this diversity and inclusion.

- Southern Illinois University Edwardsville nurtures an open, respectful and welcoming climate that facilitates learning and work. Each member of the University is responsible for contributing to such a campus environment.
- Southern Illinois University Edwardsville is committed to education that explores the historic significance of diversity in order to understand the present and to better enable our community to engage the future.
- Integral to this commitment, Southern Illinois University Edwardsville strives for a student body and a workforce that is both diverse and inclusive.

ACADEMICS AT SOUTHERN ILLINOIS UNIVERSITY EDWARDSVILLE

College of Arts and Sciences

Gregory Budzban, Dean

From the study of the atom and the simplest forms of life to the most complex issues affecting our society, the College of Arts and Sciences (CAS) offers degree programs in the natural sciences, humanities, arts, social sciences and communications. CAS is the largest academic unit at SIUE and home to the general education curriculum. CAS touches the lives of all students through its dedication to liberal arts and sciences and by helping students gain knowledge and skills applicable across all disciplines. CAS is committed to ensuring that its graduates acquire the skills and knowledge necessary to function as educated individuals, life-long learners and responsible citizens.

School of Business

Timothy Schoenecker, Interim Dean

The School of Business is among an elite five percent of business schools worldwide that have earned the prestigious seal of approval from the Association to Advance Collegiate Schools of Business (AACSB) International. The accounting program holds specialized accreditation by the AACSB. Less than 25 percent of AACSB accredited business schools also hold the accounting accreditation. Each year, students find internships, cooperative education opportunities and employment with major corporations such as The Boeing Company, Peabody Coal, Nestlé Purina, Edward Jones, Emerson, Enterprise Rent-a-Car and Monsanto, as well as scores of small- and medium-sized businesses. Graduates are well-prepared to begin productive careers in the fields of international business, management, economics, entrepreneurship, marketing, human resource management, finance, accounting, and computer management and information systems.

School of Education, Health and Human Behavior

Paul Rose, Interim Dean

School of Education, Health and Human Behavior graduates can choose from a variety of career paths in education, applied health and behavioral sciences. Through rewarding partnerships with regional agencies and public school districts, students learn through hands-on experience in their fields of interest. The School's commitment to experiential learning and community outreach is demonstrated through its clinics, and the activities of its student organizations. Visit us on YouTube and Twitter to learn more about our students' successes.

School of Engineering

Cem Karacal, Dean

The School of Engineering offers nine undergraduate and five graduate programs, as well as two collaborative PhD programs with SIUC, making it one of the most comprehensive and largest engineering schools in the region. The School prepares students to meet the growing needs in our region and nation for more engineers, computer scientists and construction managers. The engineering, information technology and construction companies in the Metropolitan St. Louis area provide exciting, challenging and well-paying jobs, internships and cooperative opportunities to our students. More than 60 percent of our graduates have taken positions in the St. Louis Metro area. Students are not only educated in the classroom and laboratory, but also through undergraduate research projects and student organizations that participate in collegiate contests, such as the formula race car, solar car, mini Baja, robotics, steel bridge, concrete canoe and many more.

ACADEMICS AT SOUTHERN ILLINOIS UNIVERSITY EDWARDSVILLE

School of Nursing

Laura Bernaix, Dean

The School of Nursing offers an excellent learning environment, which prepares students for a career as a professional nurse. The School's undergraduate and graduate programs are fully accredited by the Commission on Collegiate Nursing Education (CCNE), which means SIUE nursing students can be assured of receiving the highest quality education. The School partners with hundreds of health care agencies in Central and Southern Illinois and the St. Louis region to provide students with quality clinical practicum sites. Students also practice required nursing skills in the School's Simulated Learning Center to promote critical thinking and safe care before encountering patients in actual clinical settings. The undergraduate program is offered at both the Edwardsville and Carbondale campuses. Graduate programs include two master's degrees (nurse educator, and health care and nursing administration) and three doctoral degrees (a post-master's doctor of nursing practice DNP); and two post-baccalaureate DNP programs with specializations in nurse anesthesia and family nurse practitioner.

School of Pharmacy

Gireesh V. Gupchup, Dean

The School of Pharmacy, the only pharmacy program in southern Illinois, offers a professional program leading to the Doctor of Pharmacy (PharmD) and Master of Science in pharmaceutical sciences. Established in 2005, the School graduated its first class in May 2009 and is fully accredited by the Accreditation Council for Pharmacy Education. Our graduates enter a wide variety of professional settings, including community pharmacies, hospitals, the pharmaceutical industry and academia. SIUE pharmacy students work alongside other health professionals. This team approach allows health care professionals to optimize drug therapy and offer the highest quality of patient care.

School of Dental Medicine

Bruce Rotter, Dean

The Southern Illinois University School of Dental Medicine is proud of its established tradition of graduating well-prepared general

practitioners of dental medicine. Since 1972, the School has continued to carry out its mission to improve the oral health of southern Illinois and the region through education, patient care, scholarship and service. Through the care provided at the University's main clinic in Alton and the community clinics in East St. Louis and Edwardsville, as well as through its community outreach programs, the School serves as a vital oral health care provider for residents of southern and central Illinois, and the St. Louis metropolitan region.

Graduate School

Jerry Weinberg, Dean

The National Science Foundation lists SIUE among the top 20 master's granting institutions in the U.S. in terms of research and development expenditures. The SIUE Graduate School offers more than 100 areas of study with master's, post-baccalaureate certificates and doctoral degrees in a variety of disciplines. Students prepare for the challenges of their profession in a rich, intellectual learning environment emphasizing research and practice.

Library and Information Services

Lydia Jackson, Interim Dean

Library and Information Services provides information resources and technology for teaching, learning and scholarship. Information resources are available in all formats with a strong preference given to digital collections which are heavily accessed by users. Lovejoy Library is a member of CARLI (Consortium of Academic and Research Libraries in Illinois) which provides SIUE users full access to the holdings of the 128 CARLI libraries that share a catalog of millions of item records. Along with access to OCLC's WorldCat, with more than two billion items held by participating libraries, Lovejoy Library opens the world to SIUE users. Library resources are available through social media, its mobile website, 3D scanning and printing, and traditional methods. As in all successful 21st century academic libraries, library faculty are subject specialists who provide information literacy and technology instruction. They assist SIUE faculty in identifying and selecting open access materials, publishing research locally, and curating collections in our institutional repository, known as SPARK.

HONORARY DEGREE: VAUGHN VANDEGRIFT, PhD

Vaughn Vandegrift, PhD, committed 38 years of service to higher education with stops at Illinois State University, Murray State University, Montclair State University, Georgia Southern University, and finally, Southern Illinois University Edwardsville.

As the chancellor of SIUE from 2004-2012, he was a catalyst for change. His vision for SIUE was to be nationally recognized as a premier University for the excellence of its programs, and development of professional and community leaders.

Under his leadership, SIUE experienced significant growth as he spearheaded more than \$300 million in infrastructure and building projects, including the construction of a new residence hall, Evergreen Hall; the Science Building Complex; Student Success Center; Lukas Annex; the School of Dental Medicine Laboratory; the School of Pharmacy building; and renovations to the Vadalabene Center, Engineering Building, and Art and Design Building.

With his focus on the University competing nationally, he transitioned SIUE to NCAA Division I intercollegiate athletics with memberships in the Ohio Valley, Missouri Valley and Southern Conferences.

Academically, Vandegrift led development of several new degree programs, including a master's program in industrial engineering, doctoral programs in educational leadership and nursing practice, and a dual diploma program with Istanbul Technical University. He also established a University-wide advising plan, organized the Undergraduate Research and Creative Activities program, and developed a new general education plan.

The chancellor was also essential in branding SIUE. He led a marketing initiative to develop and promote the lowercase red "e" at SIUE as our University's hallmark.

In fall 2011, the chancellor announced that SIUE had attained record enrollment with 14,235 students. This record was surpassed in fall 2015 with the enrollment of 14,265 students. This is a testament that his efforts in promoting SIUE to higher levels of academic excellence are still being felt.

Outside of the University, Vandegrift served the St. Louis metropolitan area through involvement on several boards. He was a member and past president of Leadership Council Southwestern Illinois. Additionally, he served as a member of St. Louis Civic Progress, Innovate St. Louis, St. Louis Regional Chamber, United Way of Greater St. Louis and the Southern Illinois Collegiate Common Market.

Vandegrift has been honored with numerous awards, including the St. Louis Business Journal Influential St. Louisan award (2006-2012); the 2011 Lewis and Clark Council: Boy Scouts of America Distinguished Citizen award; the 2009 Freedom Fund Higher Education Leadership Award; Leadership Council Southwestern Illinois awards in 2007, 2010 and 2012; and the 2012 Edwardsville/Glen Carbon Chamber of Commerce Synergy Award.

The chancellor now resides in Florida with his wife, Sue. He is the proud parent to three adult children, Beth, David and Mark, and has seven grandchildren.

DISTINGUISHED SERVICE AWARD: SENATOR WILLIAM “BILL” HAINE

William “Bill” Haine is the senator for the Illinois 56th Senate district, which covers most of Madison County, including Alton, Wood River, Edwardsville and part of O’Fallon.

Senator Haine has committed his entire adult life to serving the public. In 1967, immediately after receiving his bachelor’s degree from Saint Louis University (SLU), he enlisted in the United States Army. He served until 1969 and earned a Bronze Star for his combat service as a member of the 1st Cavalry Division during the Vietnam War.

In 1978, nearly 10 years after his military service ended, and four years after receiving his juris doctor degree from SLU, his career in politics began after he was elected to the Madison County Board. He went on to serve 14 years as Madison County state’s attorney until 2002, when he was elected to the State Senate.

Senator Haine has been a champion for issues for working-class families throughout the region, including numerous efforts to bring jobs into his district, rallying for key infrastructure upgrades to the Metro East levee system and Interstate 255, and formally demanding that Congress and the President review the national tariff policy on steel goods when U.S. Steel in Granite City announced it was going to close.

The Senator has also been a trailblazer for statewide issues of insurance and criminal law while keeping an eye on the communities he represents.

A true advocate of Southern Illinois University Edwardsville and other institutions across the state of Illinois, he fought against potential cuts to higher education funding in the Senate. He was one of SIUE’s strongest supporters in the Senate during the state budget crisis. Aside from advocating for the University, he also served on the Dean’s Advisory Board for the SIU School of Dental Medicine.

The Senator’s passion for serving both his local community and his country sparked his involvement in several organizations, including the Veterans of Foreign Wars, the American Legion Post 204, where he is a past commander; Knights of Columbus; and the Alton Cemetery Board of Trustees.

Throughout his career, the Senator has shown a deep commitment to pushing the state forward and stimulating growth throughout the region. Though his term in office is slated to come to a close in January 2019, the impact he has made on this University, our region and the state will be seen well into the future.

Senator Haine and his wife, Anna, live in Alton. They have seven children—five daughters and two sons—and 32 grandchildren.

TEACHING EXCELLENCE AWARD: SANDRA WEISSINGER, PhD

Sandra Weissinger, PhD, is an assistant professor of sociology and graduate program director in the SIUE College of Arts and Sciences. She joined the Department of Sociology in 2012.

The Teaching Excellence Award committee praised Weissinger for representing all the qualities and characteristics of an exceptional educator, noting her ability to bring delicate topics on race, class, gender and sexual orientation into classroom discussion with sensitivity and professionalism.

“Dr. Weissinger impressed us with her utilization of practical, real-world examples within her teaching style, while keeping students actively engaged as her enthusiasm and passion shine through to the students,” said Kelly Gable, PharmD, associate professor in the SIUE School of Pharmacy and Teaching Excellence Award committee chair. “She is an inspirational teacher who encourages her students to dig deeply and think critically about current events.”

Weissinger’s teaching areas include African American communities, race and ethnic relations, urban sociology, and qualitative research methods. Her research interests focus on African American communities and institutions, inequality, and intragroup marginalization. She was the lead editor of two books, *Law Enforcement in the Age of Black Lives Matter* and *Violence Against Black Bodies*.

HISTORY OF ACADEMIC REGALIA

The pageantry of the academic procession is used for many of the formal and significant events at SIUE.

Inherited from the medieval universities of the 11th and 12th centuries when woolen gowns and hoods were worn by scholars for warmth in unheated quarters, the wearing of academic vestments and the procession were not adopted throughout the United States until the late 19th century.

Academic life in the Middle Ages began first in the church, then in the guilds. The teaching guild was the guild of the master of arts, where the bachelor was the apprentice of the master and the dress was the outward sign of privilege and responsibility, designed to distinguish the wearer from the merchants and other townsmen.

Principal features of academic dress are the gown, cap and hood. Both Cambridge and Oxford Universities, since the 15th century, have made academic dress a matter of university control, even to its minor details, and have repeatedly published revised regulations. American universities agreed on a definite system in 1894. In 1932, the American Council on Education presented a revised code which, for the most part, governs the style of academic dress today.

The cap worn almost universally in academic processions is the Oxford cap, better known as the mortarboard. From poetry we learn that the

cap of scholarship was square to symbolize a book. A different style, called the Cambridge cap, resembles a large beret.

The use of a dark hood in academic processions is thought to have arisen from the clerical practice of wearing a cap or mantle in religious processions during the 12th and 13th centuries, when universities arose from cathedral schools. Traditionally, gowns are also black. In recent years, however, a number of universities have adopted other hues which signify the school's traditional colors, such as crimson for Harvard, blue for Yale, purple for Northwestern, orange "hash marks" for Princeton, maize with azure blue chevron for the University of Michigan, maroon for the University of Chicago, and cardinal and gold for the University of Southern California. The bachelor's gown is a yoked, closed-front garment with long, pointed sleeves. The master's has long, closed sleeves slit just above the elbow, permitting the forearms to protrude. The doctor's has full, bell-shaped sleeves and is trimmed with velvet panels down the front, and three velvet bars on each sleeve. The color of the panels and sleeves varies to indicate the doctoral field.

The academic hoods, worn around the neck and down the back of the gown, are lined with the official colors of the college or university conferring the degree. The binding or edging of the hood usually represents the subject of the degree.

Mace

The SIUE ceremonial mace was created in 1981 by the late Michael E. Mason. He earned both a Bachelor of Arts and Master of Fine Arts from SIUE and served as curator of the University Museum. At that time, the president of SIUE (the position now called chancellor) Earl Lazerson instituted traditional, formal regalia for use on significant ceremonial occasions. In 2005, Chancellor Vaughn Vandegrift restored the tradition of the mace at all commencement and other academic ceremonies. A stand was subsequently constructed and, in recognition of the values of the University, engraved brass plaques were added to the ceremonial mace with the words Citizenship, Excellence, Inclusion, Integrity and Wisdom.

Granting of Degrees

Candidates for degrees listed in this commencement program are those who completed degree requirements or who, at the time of publication, were reasonably certain of completing degree requirements. Inclusion in this publication may not be construed as documentation of completion of degree requirements. Certification of the conferral of a degree is by receipt of a diploma or official transcript noting degree completion.

International Flags

The flags flown at commencement represent the home nations of all SIUE students. SIUE is home to nearly 400 international students from 58 nations. International students contribute to the University's diverse learning environment by sharing their unique culture and introducing new perspectives to SIUE.

Beautifully situated on 2,660 acres, SIUE offers easy access to professional and cultural opportunities in Metropolitan St. Louis, located just 25 minutes from campus.

ACADEMIC AND OTHER RECOGNITION

Honors Recognition

Candidates graduating with honors are noted in the program and their accomplishments are characterized by the color of the academic cord worn with their regalia.

PROGRAM RECOGNITION

The SIUE School of Nursing offers dynamic undergraduate programs of study that are both theoretical and practical, designed to meet current and future challenges of nursing and healthcare. The School's fully accredited programs prepare graduates to work in a wide variety of clinical settings and provide the necessary foundation for a master's and doctoral degree in nursing.

The *traditional bachelor of science in nursing (BS)* program is intended for students seeking their first degree with no prior college experience. This option is offered at the SIUE campus and through the SIUE Regional Nursing Program on the SIU Carbondale campus.

The *post-baccalaureate accelerated bachelor of science degree in nursing (ABS)* option allows students with a bachelor's degree to attain a BS degree in nursing through three semesters and one summer session. It is an intense, defined curriculum with a combination of classroom instruction and clinical experiences for students seeking a second baccalaureate degree.

Registered nurses (RNs) who hold an associate degree in nursing or a nursing diploma can pursue the RN to BS option. This baccalaureate program is offered in a flexible, entirely online format to accommodate the needs of working RNs. The program format consists of eight-week courses and can be completed in one year if most of the general education requirements are met at the time of admission.

The goal of the SIUE School of Nursing graduate program is to prepare expert nurses for leadership in professional nursing practice and patient-centered health care delivery. The School of Nursing offers two masters programs and a doctor of nursing practice degree (DNP) with three specializations.

The fully online *MS in Health Care and Nursing Administration (HCNA)* program prepares nurses for entry into management positions in health care organizations, and refines the skills of experienced nurse managers to mentor them for executive-level positions. The *MS in nurse educator* program is also provided in an online format. There is an ever-increasing need for nursing faculty, and our nurse educator students are actively sought throughout the St. Louis metropolitan region, as well as nationally.

The *nurse anesthesia DNP specialization* prepares registered nurses with baccalaureate degrees to provide individualized anesthetic patient care for surgical, diagnostic, therapeutic or pain management procedures. The *family nurse practitioner DNP specialization* program provides students with the required clinical competencies and theoretical foundation to deliver quality primary care for patients and their families. The *post-master's DNP* program is designed for nurses holding a master's degree as an advanced practice nurse, or holding a bachelor's of science in nursing and a master's degree appropriate to their advance nursing practice role.

HOODING

Hooding is a special recognition for doctoral candidates during which the Dean of the School of Pharmacy places the doctoral hood upon the shoulders of each graduate, signifying his or her success in completing the pharmacy program. Hooding allows students to share the accomplishment of earning the professional doctorate with family, friends and the School of Pharmacy faculty and staff.

A tradition dating to the Middle Ages, the olive green velvet facing of the hood denotes the wearer's pharmacy discipline. The red and white color of the lining represents the institution from which the degree was awarded, in this case Southern Illinois University Edwardsville. The velvet tam, rather than the traditional mortarboard cap, is commonly worn by doctorate holders.

OATH OF A PHARMACIST

I promise to devote myself to a lifetime of service to others through the profession of pharmacy. In fulfilling this vow:

- I will consider the welfare of humanity and relief of suffering my primary concerns.
- I will apply my knowledge, experience, and skills to the best of my ability to assure optimal outcomes for my patients.
- I will respect and protect all personal and health information entrusted to me.
- I will accept the lifelong obligation to improve my professional knowledge and competence.
- I will hold myself and my colleagues to the highest principles of our profession's moral, ethical and legal conduct.
- I will embrace and advocate changes that improve patient care
- I will utilize my knowledge, skills, experiences and values to prepare the next generation of pharmacists.

I take these vows voluntarily with the full realization of the responsibility with which I am entrusted by the public.

To Our Guests

Commencement is the premier academic ceremony. This formal conferral of degrees marks the graduates' mastery of SIUE curricula – undergraduate, graduate, doctoral and professional. At its best, it is an occasion of dignity, recognition and celebration. To preserve the decorum of the event, please exercise etiquette appropriate for the occasion and express your excitement in ways that will not prevent others from hearing the speakers and enjoying the ceremony. **The University requests that all photographs be taken from your seat or following the ceremony.**

For your convenience, we have made arrangements with GradImages™ for a professional photographer to record the moment graduates receive their diploma covers. Students receive by mail a passport-sized, full-color image approximately one week after the ceremony. There is no obligation to purchase, and students will have the option of ordering several enlargement packages via website, phone, facsimile or mail. This service enables each student to have a photograph of the ceremony. **Family members and friends are requested to remain in their seats and enjoy the ceremony.** Professional photographs are available for all students. GradImages™ guarantees complete satisfaction with the photographs or a full refund will be given with no questions asked. The transaction is between the student and the photographer; SIUE will not be involved. Photos will be available to view and order as soon as 48 hours after the ceremony by visiting *gradimages.com*.

In keeping with the occasion, we ask that all guests stand when the processional begins. After the ceremony has been completed, there will be a recessional of the platform party. Please remain in your seats until the platform party has cleared the Commencement area.

** The Commencement program was printed with accurate graduation records as of 9 a.m., Wednesday, April 25, 2018. A final version with full records will be available the week following the ceremonies at siue.edu/commencement.

CONGRATULATIONS SIUE GRADUATES

Congratulations graduates! Welcome to the SIUE Alumni Association. Your hard work has paid off, and we are happy to celebrate this momentous occasion with you today. You now belong to a group of more than 100,000 proud alumni.

The word commencement refers to “a beginning” or “to start,” and today’s ceremony represents a new beginning not only for you, but for your relationship with SIUE.

As you reflect on your time at SIUE in the days ahead, I invite you to do the following:

Stay Connected: You will soon receive your Alumni Association card with your Cougar ID. Please use your Cougar ID to sign in to Cougar Tracks, the official alumni portal, at siue.edu/alumni. Using Cougar Tracks, you can keep your records up-to-date (We want to

stay connected with you, too!), add class notes, find information about alumni events and locate other SIUE alumni, among many other options.

Be Informed: Read the eEdition monthly email and *eConnection* publication so you stay current on the leading-edge teaching techniques and research going on at the “e.” Check the headlines and read SIUE news stories at siue.edu/news.

Get involved: We want to see you at Homecoming in the fall! You can attend Cougar athletic events, participate in the annual fund or join a committee. Check out siue.edu/alumni to learn more about the many ways you can get involved.

Always be proud of your alma mater!

Best regards for your ongoing success,

Rachel C. Stack
Vice Chancellor for University Advancement
CEO, SIUE Foundation

Mission Statement: The SIUE Alumni Association will be a valued partner of Southern Illinois University Edwardsville through the advancement and promotion of SIUE alumni, the University and its friends.

For the students, faculty, and alumni of
Southern Illinois University Edwardsville

HAIL SIUE

With reverence

Words and Music by
George Mellott

The musical score is written in a key signature of three flats (B-flat, E-flat, A-flat) and a common time signature (C). It consists of three systems of music. The first system is labeled 'Piano' and features two staves: a treble clef staff with a vocal line and a bass clef staff with piano accompaniment. The lyrics are: '1. A - bove the Mis - sip - pi plain your splendor meets the sky. You give to all a chance to gain; you men - tors too are' and '2. To col - lege life we bid a - dieu and wend our sep - arate ways, Yet col - lege friends and men - tors too are'. The second system is labeled 'Pno.' and also has two staves. The lyrics are: 'raise our spir - its high. Hail, all hail S - I - U - E, our grat - i - tude we owe our' and 'With us all our days. Hail, all hail S - I - U - E, our Al - ma Ma - ter true! Let's'. The third system is labeled 'Pno.' and has two staves. The lyrics are: 'fount of op - por - tu - ni - ty wher - e're in life we go.' and 'fill our glass - es joy - ful - ly and raise a toast to you.' The piano accompaniment consists of chords and simple rhythmic patterns in the bass line.
