**English minor** recommended. If students add two additional courses (6 credits), they are eligible for the English Department's minor program in Literature. We recommend an additional literature course (ENG 205 - Introduction to African American Texts) and an additional writing course (ENG 290 - Introduction to Creative Writing).

\*For students seeking the secondary ELA endorsement (grades 9-12), SEHHB Student Services and CAS Advising have permission to override any restrictions attached to ENG 200, which is a gateway course to the English minor and major.

\*\*Currently ENG 485 is titled “Methods of Teaching Secondary English: Composition and Language.” We recommend either version of the course.
