To complete your application you must submit the following:

- 1) A resume, plus an additional sheet that includes any Computer Science courses you have passed, along with the earned grade (GA's are usually hired to assist with grading making it necessary to have excelled in CS courses.)
- 2) At least one letter of reference preferably from a CS instructor
- 3) Maintain at least a 3.0 GPA while serving as a GA and be enrolled in at least 6 credit hours of graduate courses that apply towards your degree program

Because of the limited number of assistantships the Department of Computer Science is able to offer, we offer assistantships primarily to graduate students who have completed at least one semester in the Computer Science graduate program.

Applications should be submitted to:
