

Graduate Teaching Assistantship Application Form

Electrical and Computer Engineering Department at SIUE

Students interested in becoming graduate teaching assistants with the ECE department should use this form to submit contact information and additional data helpful in the GTA assignment process. Note that according to the Graduate School requirements, in order to be eligible for a graduate assistant position, you must carry at least 6 hours of graduate credit (or 3 hours during Summer term) and maintain a 3.0 GPA. You are welcome to include a resume when submitting your application.

Applying for term (circle one): SPRING FALL Year: _____

Applicant's name (LAST NAME, first name): _____

SIUE E-mail address: _____

Student Identification Number (800#): _____

Phone number: _____

List all previous semesters for which you have been Graduate Assistant: _____

Number of graduate credit hours earned (including current semester): _____

List the courses and grades you have taken here at SIUE (include current semester): _____

Describe any previous teaching experience you have: _____

Indicate your preference on topics to teach/grade. From the list below, select the top four for which you are the most qualified. Assign numbers 1 through 4 to these top four choices, with 1 being the first choice:

- ___ Circuit Analysis (210, 211)
- ___ Digital Systems (282)
- ___ Analog Electronic Circuits (326, 426, 444, 428, 476)
- ___ Electromagnetics, Electric Machines (340, 341)
- ___ Communications, Signal Processing (351, 352, 375, 436)
- ___ Computer Vision, Image Analysis, Digital Image Processing (438, 439)
- ___ Microprocessor Systems, Computer Architecture (381, 482, 483)
- ___ Computer Networking (477)
- ___ IC Design (484)
- ___ Power Systems (445, 446)
- ___ Control Systems (365, 465, 466)
