

Kelly Barry, Ph.D.

Title: Associate Professor

Department: Biological Sciences

Institution: Southern Illinois University Edwardsville

Email: kbarry@siue.edu

Phone: 618-650-5245

Web URL: none

1. What are your current 3 main areas of research?

- Plant conservation through tissue culture
- Student generated illustrations for increasing academic competence
- Plant tissue culture as an environmental restoration tool

2. What are the top 3 areas of expertise/tools you are looking for in a research collaborator?

- Experience with native/invasive prairie and woodland plants of concern
- Culturally significant and rare plants, both local and global
- Expertise in education research

3. What 3 skills/tools that you have access to, are you willing to share with a potential research collaborator?

- Plant tissue culture laboratory
- Experience in secondary education (physical science and various biology courses)
- Prior research collaboration with secondary science teachers
