

Vance McCracken, Ph.D.

Title: Associate Professor; Director Biotechnology Management
Professional Sciences Masters

Department: Biological Sciences

Institution: Southern Illinois University Edwardsville

Email: vmccrac@siue.edu

Phone: (618) 650-5246

Web URL: <http://www.siue.edu/~vmccrac/>

1. What are your current 3 main areas of research?

- Immune and epithelial responses to gastric and enterohepatic *Helicobacter* species
- Natural products-based drug discovery
- Molecular microbial ecology

2. What are the top 3 areas of expertise/tools you are looking for in a research collaborator?

- Experience working with next-gen sequencing data sets
- Electron microscope access-SEM and TEM
- Some fresh ideas!

3. What 3 skills/tools that you have access to, are you willing to share with a potential research collaborator?

- Animal research capabilities
- Microbiological and immunological assays
- Wide expertise in gastrointestinal disease
