Additional Information:

1. Exercise science students may tailor their elective courses to meet their career and graduate school goals. The exercise science program has established pre-professional and graduate school elective suggestions that are commonly required for admission into a wide range of allied health programs. Exercise science students may choose elective groups in pre-physical therapy, pre-occupational therapy, pre-medical school, exercise physiology, and health and corporate wellness.

2. To be admitted to the exercise science major, students must:

*Earn a C or better in BIOL 101 and CHEM 101/105

*Earn a B or better in HES 170

*Have a cumulative GPA of 2.75

3. To remain in good standing in the exercise science program, students must:

*maintain a GPA of 2.75 or higher

*achieve a grade of C or better in all major courses
